Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Thursday 23 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Becoming dry tonight with areas of mist and fog developing.

This Evening and Tonight:
Any cloud and rain soon clearing the far northeast this evening. Otherwise it will be a dry evening and night with some fog, perhaps dense in places. Minimum temperature 5 deg C (41 deg F).

Friday:
A dry morning, overnight fog slowly lifting. Rain will spread into the south in the afternoon, and across the north in the evening. Maximum temperature 10 deg C (50 deg F).

Outlook for Saturday to Monday:
Rather cloudy over the weekend with some rain at times. Becoming drier on Monday with the chance of some brightness.
